D. Anticipated faculty and student participation:

How many faculty do you expect to train as Syracuse University adjunct instructors for each subject area?*	What criteria do you plan to use to determine student eligibility for each course?
How many students do you expect to be eligible to participate annually in each course?	How many students do you expect to enroll annually in each course?

*We strongly recommend training at least two instructors for each subject area. The cost of attending will allow up to three instructors to train.

E. Connections between SUPA courses and the existing school curriculum:

Please attach a separate sheet with responses to the questions below:	
How will these courses fit into the school's departmental and overall curriculum?	
How do you expect that the implementation of these courses will impact your school's students and faculty?	

F. Understanding of responsibilities:

We have read and understand the administrative responsibilities of the school and Syracuse University as described in the <i>Project Advance Administrative Guide</i> (http://supa.syr.edu/partners/content/adminguide.pdf):
