SYRACUSE UNIVERSITY PROJECT ADVANCE

REGISTRATION PROCESS

For complete registration instructions, see the last page of this document

STEP 1: You can complete the online application at home or in school. Go to pass.supa.syr.edu and follow the steps to “Register for Courses”. Under this heading choose the class or classes for which you wish to register and receive Syracuse University credit. Please only use one application, even if registering for multiple courses. **NOTE: You can only receive Syracuse University credit and transcripts if you register through the SUPA website AND return the signed application to complete the registration process.**

STEP 2: You must print the completed online application and have a parent or guardian sign it, acknowledging financial responsibility. The completed application will reflect the amount owed based on the course(s) chosen, at a rate of \$112 per credit hour (e.g., 3 credit course = \$336.00).

STEP 3: Return the completed and signed application to the high school instructor OR the Project Advance office (see next page for contact information). If the application is incomplete or incorrect, the student and parent/guardian will be notified by the SUPA office.

STEP 4: (if necessary) Complete the Financial Assistance Form (supa.syr.edu/downloads). Limited financial assistance is available for students with urgent financial need. Parents or guardians must complete the form, then return it with all supporting documents to the SUPA office for approval.

SYRACUSE UNIVERSITY ID NUMBER (SUID): Once a student is officially registered, he/she will be mailed a Welcome Letter that will include a Syracuse University ID number (SUID). This number can be used to access the SU library, pay bills online, and request transcripts.

AFTER REGISTRATION (*signed application has been received and processed*)

INVOICE/PAYMENT: The parent/guardian is mailed an invoice for the course(s). Invoices are generated on a monthly basis with the payment due on the 15th of the month until the balance has been paid in full. Payment options include Online Bill Pay—at pass.supa.syr.edu—where you can choose the three-month installment plan or pay the balance in full. Checks or credit card payments via the US Mail are also an acceptable form of payment. Please note that the installment plan does incur an additional \$15 non-refundable administrative fee.

OUTSTANDING BALANCE: Accounts with outstanding balances at the end of the semester are placed on financial hold and will remain in that status until paid in full. Invoices will continue to be generated and mailed to the parent/guardian. **NOTE: The Registrar’s office will NOT release transcripts for any students that show an outstanding balance.**

DROPPING A COURSE: If the student decides he or she does not want SU credit or has a schedule change, a drop form—found at supa.syr.edu/downloads—must be completed and received in the SUPA office by the drop date (see registrar’s calendar on next page). **This is the only way to remove all financial responsibility.**

WITHDRAW FROM A COURSE: After the drop date has passed, the student may withdraw from the course. A withdrawal only removes a letter grade from his or her transcript; **it does not remove the parents’ financial responsibility to the university.** Students should always consult with their instructor on their current course status. Withdrawal forms are available at <http://supa.syr.edu/downloads>, please see the registrar’s calendar on the next page for withdrawal deadline date.

PLEASE NOTE: Students who officially register for SUPA classes but decide not to pursue credit are still financially obligated to the university, unless they submit a completed drop form by the drop deadline.

<i>*First payment due date depends upon when the signed registration form is received in the SUPA office</i>		

NOTE REGARDING FINANCIAL OBLIGATION: If the student is officially registered for the SU course and then decides he/she no longer wants SU credit, the student **MUST** submit a Drop Course Form by the Drop Course Deadline of (Fall 2016 = Nov 18th and Spring 2017 = April 7th) to remove the student from the Syracuse University class roster, and release the student from financial obligation.

One misconception about SUPA is that if you register for the class, and decide that you do not want college credit, you do not need to pay the course fee. **This is incorrect.** Once you have registered for a SU course, the only way to remove financial responsibility is to officially drop the course by submitting a drop form by the deadline.
