				Friday, AUGUST 13
				CRS 325 Syllabus Due

This schedule is flexible and minor shifts in the content of each session may be modified relative to the progress made.

All sessions are required. Please anticipate time for additional asynchronous work outside of the scheduled workshop time above, including, for example, required video viewings, etc. Breaks will also be built into the schedule as needed.

Certification as an SU adjunct instructor through Project Advance is dependent upon full attendance at the Summer Institute and completion of all work, including your final syllabus document. **Your CRS 325 syllabus, with completed weekly (or daily) calendar, is due to cmparish@syr.edu by Friday, August 13.** Details to be discussed during the Summer Institute.
